GM! We did have a wonderful experience yesterday and I really appreciate you taking the time to show us the homes and share your experiences with us. We don't have a lot of time this morning but I would like to drive by 3 Rambling Spring this morning if possible. No need to stop in but my wife would like to see what the homes in the neighborhood around 3 Rambling look like. Would this be possible? Again, thank you so much, you were wonderful!
